Arsène le Moigne

Legal engineer · trainee lawyer · Paris

+420 702 080 468 · arsene@lemoigne.eu · arsenelemoigne.eu

Legal engineer with a business-law background. At Delos Intelligence I design, code and deploy AI agents for legal teams while completing my bar training at the Paris Bar School (EFB).

Experience

Delos Intelligence, Head of Legal & Legal Engineer — Paris · Jun 2026 – present

Sovereign AI workspace built on autonomous agents

- Shipped and customised AI agents for compliance, contract analysis, legal research, IP analysis and counterfeit tracking.
- Owned the agent's WhatsApp integration end to end (code, testing, evaluation, release), which powered an ad campaign I co-designed.
- Run the company's legal function: customer contracts, terms, DPAs, GDPR and EU AI Act compliance.
- Support sales with demos and tender responses, and feed client insights back to product.

DeltaCharge, Product & Go-to-Market Intern — Munich · Mar – Jun 2026

Tech scale-up electrifying heavy-duty mobility

- Built outbound B2B prospecting from scratch: 10% reply rate, synced to the CRM through Clay, Apollo and MCP.
- Assembled a prospect database from Germany's MaStR energy registry, scored on installed PV capacity and output.

LVMH, Legal Intern — New York · Aug 2024 – Jan 2025

Luxury goods group

- Mapped customs-risk exposure across 25+ brands in Python, used by executives to anticipate the impact of US tariffs.

Pierstone, Legal Intern — Prague · Jul 2022 – Aug 2023

Czech law firm specialised in technology

- Analysed the EU Digital Decade framework: DSA, Data Act, DGA, DORA.
- Reviewed pre-contractual documentation and share purchase agreements in M&A transactions.
- Conducted a due diligence in Hamburg independently, in support of international litigation.

Education

Paris Bar School (EFB), Trainee lawyer — Paris · CAPA expected 2027

Passed the French bar exam (CRFPA, tax law).

HEC Paris & Paris 1 Panthéon-Sorbonne, Master in Management & Master 2 in Business Law — Paris · 2023 – 2026

Thesis: autonomous agents in the commercial cycle, from contracts to tax. Supervised by Pascal Saint-Amans (former Director, OECD Centre for Tax Policy and Administration).

Sciences Po Paris, Bachelor of Arts — Dijon · 2020 – 2023

Dual degree with Université de Bourgogne (Bachelor of Laws). Exchange year at Università Bocconi.

Lycée français de Prague, French Baccalauréat — Prague · 2020

Czech-language state exams passed with highest honours.
